

HOST A *STEADFAST* MOVIE SHOWING AND EARN MONEY FOR YOUR MINISTRIES

THE DOVE FOUNDATION AWARDED *STEADFAST* THE FAITH FRIENDLY 12+ AND FAMILY APPROVED 12+ SEAL OF APPROVAL.

STEADFAST

is a faith-based coming of age feature film about average teens facing everyday struggles such as bullying, purity, cutting, and more.

A powerful evangelizing tool, it highlights how we can remain steadfast through life's trials and temptations.

"Steadfast" does a great job in making a statement: bullying is not acceptable!

This thought-provoking film features a lot of teen angst and the various problems they face. It also makes clear that their battles are not only natural, but spiritual as well. The ending is filled with promise and hope. We are pleased to award "Steadfast" our "Faith-Friendly" Seal for ages 12-plus.
